

# Re-CAP 2000

Residential well survey... community opinion survey... Roy-Hart field grand opening...presentation from the University of Buffalo's John Vena... Grassroots Middleport... Viewpoints... orientations and plant tours....

When we began to set an agenda for the

year, we had no idea how very busy we would be or how much would be accomplished.

Which of these would have been successful without the participation of the Community Advisory Panel?

Brian McGinnis, Wai Chin LaChelle, Bob Forbes, Terry Bowers, Rosalind Schoof, Marjo Carpenter, Bob Carr, Matt Mortefolio.... Gary-or-Glen-or-whatever-his-name-is White.

What wonderful people we've added to our list of friends this year!

How much more we've been able to achieve because these folks have been so gracious with their time and knowledge.

It wasn't all work, though! A holiday dinner in January and a picnic in July

afforded us the chance to introduce our families.

The year has been one full of people, projects, ideas, opinions and activities. We have learned much in the past year, rested little, and done much.

The CAP expresses its sincere appreciation to Stu Throop, Bob Wojcik and Patt Fagan for their never-failing support and energy. (Extra special thanks to Patt who makes it look easy. We know better!)

Robin Ollis and Janet Brubaker express their appreciation to the CAP and FMC for the opportunity to learn and do.

FMC gratefully acknowledges the contributions the following people made by serving on the CAP:

Herb Koenig	Julie Maedl
Marshall Wilson	Denny McAvoy
Greg Bass	Holly Pierson
Randy Coleman	Ryan Pierson
Emily Klinzing	Aaron Boyle
Butch Rhinehart	Sharon Smith
John Grabowski	Mary Grabowski
Thurston Dale	Ron Houseman
Kristin Schultz	John Shuttleworth
Andy Pollack	Mike Hinton
John Swick	Leslie Bewley

Now, get out a clean sheet of paper, fold it in thirds....

*Happy 2001!*
